INSTITUTE OF CERTIFIED TAX ACCOUNTANTS

26th of March 2024

The Head of HR & Training

Dears Sir/Madam

INVITATION TO ATTEND THE 2024 TAX WINTER SCHOOL 19 - 22 JUNE 2024 | AZAMBEZI RIVER LODGE (VICTORIA FALLS)

It is with great pleasure that we extend to you a warm invitation to the **2024 Tax Winter School**, an annual gathering of esteemed tax professionals, experts, and enthusiasts. This premier event will take place on **19-22 June 2024** at the beautiful **AZambezi River Lodge** in **Victoria Falls**.

The 2024 Tax Winter School is designed to provide a platform for in-depth discussions and knowledge sharing on the most pertinent and captivating topics in taxation. As the tax landscape continues to evolve and present new challenges, it is crucial for professionals like yourself to stay abreast of the latest developments, strategies, and insights.

We have meticulously curated a lineup of topics that encompass the most pressing issues and emerging trends in the field of taxation. Some of the proposed topics include:

- Tax Planning in an Ever-Changing Regulatory Environment:** Navigating the complexities of tax laws, regulations, and reforms to optimize tax planning strategies for businesses and individuals.
- International Taxation:** Addressing the challenges and opportunities associated with cross-border transactions, transfer pricing, global tax compliance, and the impact of digitalization on international tax frameworks.
- Tax Implications of Technological Advancements:** Exploring the tax consequences of emerging technologies, such as blockchain, cryptocurrencies, artificial intelligence, and automation, and their impact on various industries.
- Tax Compliance and Risk Management:** Best practices for ensuring compliance with tax regulations, mitigating tax risks, and implementing effective tax governance frameworks.
- Taxation and Sustainability:** Examining the role of taxation in promoting sustainable practices, incentivizing green initiatives, and addressing environmental and social concerns.
- Taxation in the Digital Economy:** Analyzing the challenges of taxing digital goods and services, e-commerce transactions, online platforms, and the role of digital tax solutions in a digitalized world.
- Tax Dispute Resolution and Strategies:** Effective approaches for managing tax disputes, navigating audits, negotiating settlements, and leveraging alternative dispute resolution mechanisms.
- Tax Policy and Legislative Updates:** Exploring recent tax policy developments, proposed changes to tax codes, and their implications for businesses, individuals, and the economy as a whole.

These carefully selected topics aim to provide you with valuable insights, practical strategies, and a deeper understanding of the ever-evolving tax landscape.

In addition to the enriching conference sessions, the 2024 Tax Winter School offers an excellent opportunity for you to connect with fellow tax professionals, network with industry experts, and engage in meaningful discussions. The event will foster a collaborative environment where you can share experiences, exchange ideas, and build relationships that extend beyond the conference.
